## MESSAGE FROM THE PRINCIPAL

It's indeed a great privilege and an honour to have the opportunity to welcome you on behalf of the college and on my behalf to Lakhimpur Kendriya Mahavidyalaya that offers Higher Secondary (AHSEC), Degree Courses (CBCS) and Open and Distance Learning (ODL) in Arts Stream. under Dibrugarh University

Established in 1992 on the demand of the students, academicians, well wishers and initiation of the district administration, LKM has transformed rapidly to become one of the pioneer higher educational institutions of the region with almost 700+ students and 10+ faculties over three decades of academic excellence. With a sylvan sprawling campus spread over several acres, LKM has become a name synonymous with quality education with wide range of subjects. The institution has been reaccredited by NAAC in the year 2019 and preparations are on for the 3<sup>rd</sup> cycle of assessment accreditation by 2025.

I am very much delighted to forward this message that LKM has extended the implementation of National Education Policy (NEP) of Four Year Undergraduate Programme (FYUGP), prepared by DU from the academic session 2023-24. This would certainly revolutionized a significant paradigm shift in the education system which requires academic commitment from all stakeholders. This course would also enable to students to be the holders of UG certificate, UG Diploma, Three Year UG Degree, Four Year UG Degree (Honours) and Four Year UG Degree (Honours with Research) in Choice Based Credit System (CBCS).

Open and Distance Learning has always been a priority which LKM is committed to. The institution has well equipped and an independent Computer Centre for e-learning on distance mode, Digital Library, Digital and Smart Classroom and an Open and Distance Learning (ODL) Study Centre under DU with an independent examination centre for the aspiring students other than regular students.

In tuning with the academic calendar by DU., the college sets an additional academic calendar scoping the students to participate in seminars and workshops on current topics. Outreached Awareness Programmes, Field Study and Educational Tour are given utmost priority. Extra attention is put in sports, cultural and co-curricular activities under NSS, Swachha Bharat Mission, Eco Club etc. that help in grooming the students with current situations and issues. The college is relentlessly putting its hard effort to see that it rapidly grows faster and wider, as it believes in the words of Robert Frost

"Miles to go  
Before I sleep....."

I, hereby, appeal all the parents, guardians and students to get accustomed to online mode of operation both academic and non-academic matters.

Once again, you are welcome and invited to be a part of the mission of the college to be accomplished

Long live Lakhimpur Kendriya Mahavidyalaya
